My Health Home.

A secure online home to access your hospital inpatient information.

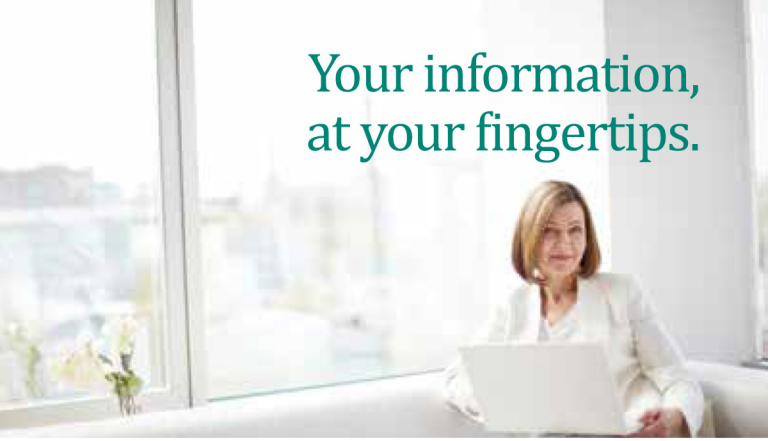

You now have online access to your hospital inpatient records – test results, medications, procedure information, diagnoses and discharge instructions.

It's convenient, private, easy and **free**.

Just ask a staff member at Sharon Regional Health System and we'll help you and your loved ones get connected to My Health Home.

Sharon Regional
Health System
Dedicated to caring for our community.™

Your information, at your fingertips.

With our Portal, you have online access to records from your inpatient (overnight) stays at our hospital.

It's easy to use.

You don't have to download or install a program. You can access My Health Home from any computer, tablet or mobile device with internet connection. The Portal has user-friendly navigation.

To set up a new account:

1. After you provide your email address, we'll send you an email with a link to the Portal.

2. Click on the link to set up your Portal account.

3. Enter your name and date of birth.

4. Create a password and choose a security question.

5. Log in to view, download and share your information!

Bookmark the site to make it convenient to visit regularly. Your username will always be your email address, and each time you also will need to enter your password and answer your security question for extra security.

It's all about you.

We hope that this online service enhances your experience with Sharon Regional Health System, and helps you become a healthier, more informed patient.
